

Charitable Contribution Request Form

Application Eligibility and Charity Policy — 2020

At Davis Tucker Group, we corporately and personally give back to those less fortunate with time, talent and treasure. We have made community involvement the heart of everything we do. To qualify for submitting an application for financial support, a charity must be an active non-profit with current 501(c)(3) documentation. Additionally, the charity or event must aid in one of the following areas: education, arts, the environment, healthcare, needs of children, or poverty.

We appreciate all of the work that many charities do in our community. We no longer provide hole-in-one vehicles for charity golf tournaments but will accept applications to assist the benefiting charity in other ways. While we love our sports teams, bands, and cheerleaders, we are unable to fairly sponsor all requests and exclude those from applying. We also do not give to religious organizations directly but do support religious organizations' initiatives that meet all other criteria.
