HADASSAH'S HOPE

MISSION STATEMENT

Our mission is to reach and restore women in the adult entertainment industry by sharing the hope and love of JESUS.

A NOTE FROM THE CEO

but through God's mercy we were given exactly what we needed at just the right time. Pastors from churches throughout the city of Jacksonville are being called to serve the Hadassah's Hope ministry in wonderfully unique and powerful ways. Churches are lending their facilities, technologies and staff to support the ministry needs. These people of God are guiding their churches towards praying for the ministry, sharing the ministry in church services, donating, fundraising and much more. We are so grateful for pastors and leaders that love us and love this ministry that God has placed before all of us.

We are also seeing a mounting number of people under the age of 30 helping with the ministry. High School students, College students and young adults are knocking on our door, raising their hands and wanting to help. They realize that many of the women working as dancers are in their age group and they want to help their peers that have lived different lives than them. To see the love and support from these young people, shows how Jesus lives in them and provides them with a love towards others. We are honored to receive their support.

The Easter parties in the clubs were AMAZING! People stepped up faster than we could sometimes keep up with (Praise the Lord!). Volunteers made baskets, gave purses filled with wonderful personal care items, decorated gorgeous tables and made meals that were beautiful and delicious. We were awed by the generosity. The Outreach Team made extremely special connections that evening and the dancers experienced the love of Jesus through all of the hard work and prayers.

There is a clear working of the Holy Spirit that is allowing us to serve people in strip clubs throughout the city of Jacksonville. Hadassah's Hope is currently ministering in about 80% of strip clubs in our great city and we know that can only come from God.

"Trying to do the Lord's work in your own strength is the most confusing, exhausting, and tedious of all work. But when you are filled with the Holy Spirit, then the ministry of Jesus just flows out of you."

We love our Student Volunteers!

We absolutely love the **High School and College Student Volunteers**. They bake cakes, run errands, write sweet letters with scripture for strippers, write Thank You Notes and more. We applaud their work to serve Jesus by serving others. Whether its to meet required volunteer hours at school or to provide service to others, students are encouraged to sign up to help the ministry through the Serve link on our website.

In the Sweets

Some of the clubs where Hadassah's Hope ministers, serves desserts instead of full meals. There are some club owners who have requested we not bring full meals and in some clubs we are still praying in volunteers who can cook for us. With these clubs, the ministry is still very active and the women in these clubs are always excited to get the sweet treats and gifts. God can take what we have and

Cookbooks for a Cause

Our Food Team does an AMAZING job cooking and providing meals for the dancers. Their food is incredible! Check out the new Hadassah's Hope Cookbook available to purchase. The proceeds go toward donating cookbooks and herbs to the dancers.

Giving Happy!

This is what giving happy looks like. This group of ladies at the Church of Eleven22 met and prepared such nice baskets, bags and other gifts for the women who work in strip clubs. What a wonderful example of being the light!

There are so many ways of volunteering for the ministry. It is such a joy when we receive gifts from Sunday School classes, groups of friends, Christian organizations and work colleagues. We hear about the great stories of ladies that have fun while preparing and know that the gifts are filled with love.

"The ministry and mission of the church is at the center of Christian giving."
