Have you ever been stuck in the middle of a corn maze during a thunderstorm? I can now say that I have! For the first time in two years, our whole National Conference Operations team was able to gather together in-person. Even though we see each other on a Zoom call every other week this was the first time I had been able to actually meet some of my co-workers face-to-face. To say that it was life-giving would be an understatement. Our time together left me feeling refreshed, equipped, and connected.

We spent time learning how to read and understand contracts, learning how to craft helpful and directive budgets, discussing our team values, and having lots of fun. It was easy to see how our team is a part of fulfilling the Great Commission. Our time together kept reminding me of 1 Corinthians 12 when Paul is talking about spiritual gifts and the different parts of the body of Christ, *"But in fact God has placed the parts in the body, every one of them, just as he wanted them to be. If they were all one part, where would the body be? As it is, there are many parts, but one body."* (1 Corinthians 12:18-20). As believers, we all have a role to play in the body of Christ, and my team's role is to help eliminate distractions so that people are able to meet with and experience Jesus.

Where has the Holy Spirit gifted you to steward for the Kingdom?

On a personal note, I want to say thank you for your continued prayers over my move to Indiana. The transition has been rather smooth and I'm learning to really enjoy the cool mornings of a true fall. *I'm also excited to say that I will be spending most of the holiday season (Thanksgiving through Christmas) back in Florida working remotely!* I look forward to getting to connect with you and hearing all about how God has been at work in your life. **Thank you for being in this with me as we seek to make the Gospel known!** As always, I would love to be praying with and for you too. Please let me know if there are any ways I can be praying.
