HADASSAH'S HOPE

MISSION STATEMENT

Our mission is to reach and restore women in the adult entertainment industry by sharing the hope and love of JESUS.

A NOTE FROM THE CEO

love and serve the dancers, we wanted to share a glimpse into one of the big things we are praying for. Our dream for 2022 is to secure a permanent space to house the Hope Center for more drop-in days, as well as expand to include a full-time, comprehensive career development program to help dancers get the trauma healing they need and take steps toward their dream job outside of the club. It would be a paid program, consisting of classes (business skills, life skills, Bible study, holistic healing) and hands-on training. Enjoy this video for a peek into some of what we are envisioning in the space. As you are considering [year-end giving](#), please keep Hadassah's Hope in mind.

***"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"
– 2 Corinthians 5:17***

Thank you to everyone that donated, prayed, and served during the Christmastime. Because of you, we were able to have beautiful Christmas parties in all of the clubs! It was a wonderful time to shower the dancers with love, spread Jesus's light, and share the Christmas story. Not only were we able to throw Christmas parties, but we were also able provide Christmas gifts for the dancers' children – all thanks to your giving! Many of the children may not have had a special Christmas this year if it wasn't for local churches, volunteers, and donors coming together to provide for them. When we love the dancers' children, we also get to love the dancers themselves and earn their trust.

We are consistently praying over these dancers. May the women come to know Jesus AND raise their children to know and love Jesus, too! We will continue to provide opportunities at the future Hope Center space for the women and their children to find community, resources, and Gospel conversations.

May God use our efforts to make a generational impact for HIM!

DANCER UPDATE

A dancer gave her life to Jesus in December! She starts a new job outside of the club in January. Thank you, God!
