A NOTE FROM THE CEO

What a fantastic way to start the year! God continues to walk with us as we step into 2022 with big goals.

This month we kicked off our Transformation Internship with two former dancers. This paid internship focuses on helping the women with career development, business and life skills, counseling, case management, and a Bible study. So far, it has been a huge success! It has been such a great opportunity to love on the two women and support them in a meaningful and Christ-centered way toward holistic healing.

We also started a new club in January! Thank you to the volunteers that stepped up or joined Hadassah's Hope with the intent to help serve this club. We cannot wait to see how God uses our presence for His glory.

We are still on the hunt for a new space for the Hope Center. Please be praying! We are confident that God will provide for us. We are so grateful for His guidance and presence in our ministry. **Glory be to God!**

SPONSOR A COUNSELING SESSION

We are looking for partners to sponsor counseling sessions for dancers we meet in the clubs that are seeking help through our Hope Center, as well as exdancers we are working with as part of our Transformation internship. Solid trauma counseling is such a big part of helping them process and heal from all of the abuse and manipulation in their past that drove them to the clubs. We are so thankful for you partnering with us in this way.

Sponsor a counseling session today!

GOING THE EXTRA MILE

One of our volunteers is personally discipling a dancer that followed Jesus in December! Once a week, this volunteer meets the dancer in the dancer's neighborhood. A Rope Holder accompanies her every time she visits! He sits outside their meetings to ensure their safety. It truly takes an army to do ministry so that we can point others to Jesus. The HH Team has the most loving and willing hearts we could ask for!

"Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, from whom the whole body, joined together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love."

—Ephesians 4:15,16
